

In an effort to support the health and well-being of our community and per the recommendations of the American Association of Orthodontics and the American Dental Society, we are postponing all patient appointments for the next 2 weeks. We will contact you to reschedule your appointment. Hopefully, we will be open again beginning Wednesday, April 1st following the strictest of guidelines from the CDC. Please stay healthy and safe!

We encourage you to practice "social distancing" and to follow the regulations for preventing the spread of the deadly coronavirus. Our office will be available by phone to take care of any of your needs between now and April 1st.
